

NOW ACCEPTING APPLICATIONS FOR A LICENSED ELECTRICIAN

The Company:

TruNorth Solar is a small but growing Residential and Commercial Solar Installation and Service Company operating in Arden Hills, MN. We are professional, supportive and collaborative.

Our work environment includes:

- Growth opportunities
- Company perks
- 4 day work week

Opportunity:

We are seeking a Journeyperson Electrician to join our team. The successful candidate will be required to use their expertise and knowledge to install interconnected solar PV systems and diagnose problems, as well as maintain the integrity of these systems.

This position requires a high level of safety awareness and strong communication skills. We are looking for a reliable team leader with a commitment to quality work.

TruNorth is focused on a strong work/life balance. Typical work week is 4-10 hour days Monday-Thursday. Overtime is available for those who want it.

Responsibilities:

- Lead a 4 person team in the completion of residential and small commercial solar PV systems.

More Details:

Job Type: Full-time

Pay: \$44.00 - \$60.00 per hour

Benefits:

- 401(k)
